NOTICE TO ALL ONLINE STUDENTS

Subject: Transition to Face-to-Face Lectures – Enhancing Your Learning Experience

Dear Students,

We are delighted to announce a transition from online lectures to face-to-face learning, effective from 26TH MAY 2025 to 8th JUNE 2025. This move is designed to create a more engaging and interactive academic environment, where students can fully immerse themselves in discussions, hands-on activities, and direct interactions with lecturers.

Why Face-to-Face Learning?

Over the past semesters, online learning has provided flexibility and accessibility. However, in-person lectures offer significant advantages:

- **Enhanced Understanding:** Direct engagement with lecturers allows for instant clarification of concepts and deeper discussions.
- **Collaborative Learning:** Interacting with peers in real-time fosters teamwork, networking, and idea-sharing.
- **Improved Focus:** A structured classroom environment minimizes distractions and promotes better concentration.
- **Hands-on Experience:** Practical sessions, demonstrations, and group activities enhance comprehension beyond theoretical knowledge.

What You Need to Know

- All lectures will take place at NIOHS premises.
- Attendance is highly encouraged to maximize the learning experience.
- Please ensure you are prepared for this transition by organizing your schedule accordingly.

We understand that change requires adjustment, and we are committed to making this transition as smooth as possible for everyone. We appreciate your cooperation and look forward to welcoming you back to the classroom!

Best regards,

James Mushakil
Academic Registrar
NIOHS
